“ Working with Ckclip and directly with Lynsey Carroll has been like a breath of fresh air to our company and properties at Reece Group. Partnering with Ckclip has been one of our best decisions and it never ceases to amaze me the lengths that they will go to ensure a great level of service is maintained. Lynsey has a depth of knowledge gained from years in the industry and this shines through in her professional and honest approach to service delivery. They have never let us down despite working against aggressive and sometimes conflicting deadlines. In summary, I would not hesitate to recommend Ckclip and hope that our partnership continues for quite some time.
